Mission:

At Horizon Science Academy Cleveland High School (HSA), our mission is to create a learning community in which teachers, parents and students work together to achieve academic excellence in a rigorous college preparatory curriculum. HSA strives to be the benchmark of superior public education through teaching skills in math, science, and technology necessary to become bold inquirers, analytical thinkers, and ethical leaders in the 21st century. We strive to create a diverse community that fosters mutual respect and social responsibility, enhanced by a strong partnership between home and school. This school was selected as a Blue Ribbon School in 2009 by the US Department of Education.
